

## ***New Sherwood Swim Team*** ***STINGRAY “PUP CAMP”***

Do you have a child who loves to swim - who was a fish by the end of last summer or took lessons over the winter? Do you wonder if your child is ready for swim team? Or did your child do swim team last year but was a little overwhelmed by the “controlled chaos” of the practices and meets? If you answered “yes” to any of the above, then **Stingray “Pup Camp”** might be right for you. New Sherwood Swim Team will host our annual “Pup Camp” **May 13th - 16th from 4:45-6 PM.**

Pup Camp is designed for swimmers ages 4 and older - either those new to swim team or those who swam for the first time last year. Our aim is to build confidence in our youngest swimmers and to hook a new generation of young Stingray pups in a fun and low stress environment. Although previous swimming experience is not required, familiarity and comfort in the water is necessary. Swimmers will be divided into small skill and age appropriate groups. Our team of “coaches” (including our head coach, Jamie Grimstead, our assistant coaches, and veteran swim team teens) will introduce them to basic swim skills, show them what practices will be like, and determine if they are ready for swim team as they assess their water basics and water comfort level. We will also hold daily Swim Team 101 instruction and Q&A sessions for new parents.

The **cost of Pup Camp is \$20.** If you think your child is ready and coaches concur, you can join the swim team for an additional \$65 registration. This fee can be collected once Pup Camp is over and separate from your swim team application. During the season, we will plan to “buddy up” your swimmer with a seasoned swim team member to help them feel more at ease as they start attending full team practices.
